**Application Requirements**

An applicant can apply for PhD study even if he/she does not hold a research master degree. The normative period of study for articulated MPhil-PhD study is 4 years. Subject to satisfactory academic performance and research progress, postgraduate studentships will be provided to students throughout their normative period. However, holders of a research master degree from a Hong Kong UGC funded institution may only be eligible for a shorter normative period of 3 years for PhD study. An applicant can also apply for MPhil study with a normative period of 2 years.

**Applicants for the MPhil Stream should:**

1. have graduated from a recognized university with a Bachelor degree or equivalent in a relevant engineering, science or medical discipline, normally with honours not lower than Second Class; OR
2. have graduated from a programme of a recognized university with a Bachelor degree or equivalent in a relevant engineering, science or medical discipline, normally achieving an average grade of not lower than 'B' in undergraduate courses

**Applicants for the PhD Stream should:**

1. have a research Master degree from a recognized university in equivalent in a relevant engineering, science or medical discipline; OR
2. have a Bachelor degree, normally with Second Class Honours in the upper division or above; OR
3. have been registered as a Ph.D. student at a recognized university for at least one year, and have been approved for application by the affiliated Graduate School.

**Notes on English Proficiency:**

All students should fulfil the English Language Proficiency Requirement prescribed below before they are admitted:

(Reference: [https://www.gs.cuhk.edu.hk/admissions/admissions/requirements](https://www.gs.cuhk.edu.hk/admissions/admissions/requirements))

**Application Procedures**

To be considered in the main round of admission in August, applications must be submitted on or before 1st of December in the previous year. However, interested applicants should consider early submission of their applications. Early applications, particularly before end of November, are likely to be under our first-tier consideration.

The schedule may be different from year to year. Mostly, the interview will be arranged from December. Only selected candidates will be invited to attend the interview.

**To be considered for interview in early December, the deadline for applications to reach CUHK is 17 November 2017.**

**To be considered for HKPFS or main round admission, all required documents should reach our Division by 1 December 2017.**

**Online application** is available at [https://www.gs.cuhk.edu.hk/page/ApplicationforAdmission](https://www.gs.cuhk.edu.hk/page/ApplicationforAdmission).

In addition to the application materials generally required by the Graduate School ([http://www.gs.cuhk.edu.hk/media/notes_for_applicant_online.pdf](http://www.gs.cuhk.edu.hk/media/notes_for_applicant_online.pdf)), applicants must also submit the followings:

**Mandatory materials:**

1. Complete online application
2. Application fee of HK$300
3. One photocopy of your HKID card or other identity document as given in the Application For
4. Original copy of official transcripts (with a complete record of courses attended and examination results should be submitted in a sealed envelope from the issuing university.)
5. Original copy of official grading scheme issued by the University (if it is not listed on your transcript)
6. Original copy of official English Tests score report (TOEFL/IELTS/GMAT University’s institution code: 0812)/IELTS (Academic)/GMAT (Verbal) sent directly from the test organization to the University (HKPFS only accepts score report of TOEFL or IELTS (Academic))
7. Two confidential recommendations (Applicants are required to invite TWO referees to complete the Confidential Recommendations Report)
8. Brief Curriculum Vitae
9. Research / purpose statement (about 600 - 800 words in English, compulsory for PhD application)
10. An information sheet (on last page) to be filled in. It is a standard format specified by our department which essentially summarizes the personal information and academic qualification.
Optional materials:

1. Personal statement
2. Copies or abstracts of published papers or research project reports
3. Certificates of awards or prizes

**Applicants are required to send in the hardcopy of supporting documents to the Division by the application deadline.** Otherwise, the applications may not be further processed. All documents submitted will not be returned and will be destroyed if the application is unsuccessful.

**Postal Address for Submitting application materials:**
Division of Biomedical Engineering (MPhil-PhD in Biomedical Engineering)
