BME Student Ambassadors Scheme

BME STUDENT AMBASSADORS SCHEME

2026-27

What is the BME Student Ambassadors Scheme?

The BME Student Ambassadors Scheme aims to nurture peer connections between junior and senior students. Under this scheme, a variety of student-oriented activities/events such as study activities and social gatherings are organized with the involvement of both academic staff and BME buddies.

What are the objectives of the Scheme?

- ✓ To provide a platform for senior year students, new students and their peers to interact and share experience;
- ✓ To broaden the social exposure of students and enrich their university life;
- ✓ To establish a supportive learning community among new and senior students;
- ✓ To nurture a warm, caring and positive atmosphere for learning in campus;
- ✓ To help new students develop academic capabilities.

Who are eligible to apply?

Year 2 or above undergraduate students who are:

- ✦ Enthusiastic about serving BME
- ✦ Creative, cheerful and confident
- ✦ Sincere to share and patient to listen

As a Student Ambassador, you will:

- Engage in outreach activities throughout the year, including:
 - ✓ Admission Talks for JUPAS and Non-JUPAS Applicants
 - ✓ BME Academic Counselling Session - 11 August 2026
 - ✓ CUHK Information Day for Undergraduate Admissions - 17 October 2026
 - ✓ Various BME promotional events and initiatives
- Welcome and connect with new students, helping them settle into the BME family;
- Organise interactive activities that foster student bonding and keep everyone connected to campus life and department developments;
- Represent the BME programme at official university events, such as Orientation Day;
- Offer both academic and non-academic guidance to newly recruited students;
- Act as a bridge between academic staff and junior students;
- Provide constructive feedback on the student experience and the ambassador scheme;
- Promote BME programme at your alma mater

How can you benefit from the Scheme?

- ☀ Strengthen your sense of belonging and identity within the BME department;
- ☀ Enhance your communication, leadership, and interpersonal skills;
- ☀ Build lasting connections with fellow students, academic staff, and prospective applicants;
- ☀ Gain practical exposure to event coordination and outreach activities;
- ☀ Receive official recognition with a Certificate of Appreciation
